

Barnes Auto Engineering Valentine Road Rally

15th /16th February 2025

Organised by The Caernarvonshire and
Anglesey Motor Club Ltd.

Final Instructions

Thank you for your entry to the Barnes Auto Engineering Valentine Road Rally 2025. Your start number is as per the provisional entry list online the event web page at –

www.camconline.co.uk/events/2025-2-15/barnes-auto-engineering-valentine-rally

We welcome you to the event and we hope you all have an enjoyable and safe night of motorsport. We have worked hard to provide you with a no nonsense straight forward event, based on the lanes of Anglesey on Map 114. A huge amount of work and effort has been undertaken by the team to secure the use of some PR sensitive areas. To enable us to maintain the future use of these areas we would ask that you adhere closely to instructions in the route information regarding Quiet Zones and Non-Competitive sections.

A big thank you to Lee Barnes of Barnes Auto Engineering for his continued support to this event.

ENTRY FORM

Please ensure that we have all the necessary details on your entry form. The name on the entry form must match the name on your competition licence. MARSHALS

Signing-on for marshals opens at 17:00 hours and closes at 20.30 hours on Saturday, 15th February 2025. To book your marshal's place, please contact Rob Jos on **07586 614637** (No Phone Calls after 9pm)

Your marshal is your responsibility; please ensure they have:

- Suitable pens, clipboards and high visibility clothing, torch and a hammer to knock in control boards.
- Bin bag to take away their rubbish.
- Ensure your marshal understands where they are going and what they are doing.

- As stated in the SRs, all competing crews must provide a marshal(s) to cover at least one control and they MUST sign-on with ONE competing crew only unless booked in advance.
- You are reminded that no named official can be signed on as a marshal.
- If the marshal who has signed on for a competitor does not turn up at a control or leaves the control area before the arrival of the closing car, or is reported for driving in a manner likely to bring the sport into disrepute, the associated competitor will be disqualified from the results.
- The Chief Marshal/Timekeeper will issue marshals who are allocated time controls with an official clock. The clock must be handed to the closing car or a club official once the control is closed.
- Should these clocks be damaged or go missing the competitor associated with that marshal will be held responsible for the cost of replacing or repairing that clock.

Remember NO MARSHAL = NO START.

Controls

We aim to man all Passage Controls (PC) & Time Controls (TC), however, if for some reason a control is not manned, the organisers reserve the right to replace this with a Route Check (RC) in the form of a code board. Such boards will be on display at the start. If a board is present, crews must record the code in the appropriate box and it must be verified at the next manned control (excluding DSO's, Secret Checks).
