## **STAGE PROCEDURE FOR JUNIOR RALLY – REMINDER**

This year's Pentraeth Glyn Memorial Stages is also a round of the Junior F1000 Rally Championship & Junior Ecosse Rally Challenge as defined by the championship rules. As part of the Motorsport UK requirements/regulations for this championship, competitors in the championship must run on stages by themselves, i.e. there must not be any of the competitors from the main events on the stage at the same time as the Juniors. To achieve this there will be a gap between the main event and the Juniors which will therefore stretch the running of all the days stages to the limit. In order to achieve this, cars in the Junior event will be interposed from the first running of the stage straight back into the second running of the stage, and road timing between stages will be operating. Just as road timing will be operating in the main event.

## **Saturday**

### **Main event will run first on the road.**

As soon as all cars from the main event have completed the pair of stages, or maximum lateness of the last car in the main event has been reached, the Junior Rally will be started.

At that point no cars from the main event will be allowed to move on the stage until the Juniors have finished their two runs through. If a car has stopped on stage for any reason and the Juniors have started, **THEY MUST NOT MOVE UNTIL THE JUNIORS HAVE FINISHED THEIR TWO RUNS THROUGH THE STAGE.** (Junior runners will be denoted by running numbers 101 upwards). **Penalty is disqualification.**

After the Juniors have finished, any outstanding cars from the main field must not return to the paddock until permission has been granted via a radio marshal.

## Sunday

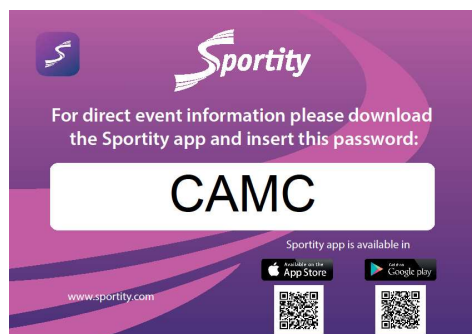

### **Juniors will run first on the road.**

As soon as all cars from the Junior event have completed the pair of stages, or maximum lateness of the last car in the Junior event has been reached, the Main Rally will be started. At that point no cars from the Junior event will be allowed to move on the stage until all cars in the main event have finished their two runs through. If a car has stopped on stage for any reason and the main event has started, **THEY MUST NOT MOVE UNTIL THE MAIN EVENT COMPETITORS HAVE FINISHED THEIR TWO RUNS THROUGH THE STAGE. Penalty is disqualification.**

After the main field have finished, any outstanding cars from the Juniors must not return to the paddock until permission has been granted via a radio marshal.
